

The Great Jungle Map Hunt

Grade 1 math · Place value, Addition, Subtraction, Skip counting, Missing addends · Reading level grades 1-2

Detective: _____ Date: _____

The Golden Map is gone! Someone took it from the Camp Lodge. We must find it before sunset. Help us find the Map Sneak!

1. Solve each math problem. The answer is a number, and the letter beside it is what that number stands for.
2. In the clue boxes, write that letter in every box showing the same number, then read the secret clue.
3. Use each clue to cross suspects off the list. The one suspect left at the end is the culprit!

My answer: the Map Sneak is _____

Possible suspects

Cross off a row as each clue rules it out. The one left at the end is the culprit.

CLUE 5**Missing addends - the last clue**

We have three shiny badges. We need eight badges to fill the box. Find the missing number to get the last clue.

First solve each problem. Then find each answer in the numbered list below and cross that sentence out. One sentence will be left - that is exactly what the villain did!

Step 1 - solve these:

$9 + \underline{\quad} = 11$

$3 + \underline{\quad} = 13$

$9 + \underline{\quad} = 14$

$1 + \underline{\quad} = 2$

$3 + \underline{\quad} = 12$

$10 + \underline{\quad} = 22$

$10 + \underline{\quad} = 18$

$9 + \underline{\quad} = 20$

$1 + \underline{\quad} = 7$

$3 + \underline{\quad} = 6$

$2 + \underline{\quad} = 9$

Step 2 - cross out the sentence with each answer:

1. The villain held the magnifying glass, then cleaned the camping badge.
2. The villain shined the pocket lantern, then pinned on the tracking badge.
3. The villain threw the rope lasso, then admired the fishing badge.
4. The villain checked the shiny compass, then cleaned the camping badge.
5. The villain peered through the brass spyglass, then cleaned the camping badge.
6. The villain shined the pocket lantern, then polished the boating badge.
7. The villain checked the shiny compass, then polished the boating badge.
8. The villain checked the shiny compass, then admired the fishing badge.
9. The villain threw the rope lasso, then pinned on the tracking badge.
10. The villain threw the rope lasso, then cleaned the camping badge.
11. The villain peered through the brass spyglass, then showed off the climbing badge.
12. The villain held the magnifying glass, then showed off the climbing badge.
